5 Ways to Wellbeing

- Stay Connected** (by phone, FaceTime, email, social media) with friends, family and services.
- Be active** (regular exercise like walking, or cycling) ; **Eat Healthy** (fruit, vegetables, and water) and **Get Sleep!**
- Take Notice** (be aware of how you are feeling, talk to someone you trust).
- Keep Learning** (learning or developing talents or skills; or studying)
- Giving** (such as a phone call or text to a loved one just to check in).

COVID-19. Staying Well. Staying Safe.

Talking to Children about Covid-19

Stay Calm - Take some time for yourself or talk to another adult, if you need to

Talk to your Child - Ask your child what they know, and how they are feeling. Be open and honest.

Answer Questions - Share simple age-appropriate facts and information that you know from trusted sources like the HSE.

Create a Safe Environment - Reassure your child, and talk to them about what you and they are doing to stay safe (e.g. hand washing)

Daily Routines - Keep a daily routine to manage consistency and stability. Mix it up with learning, movement, relaxation, creative and play time

Limit use of social media and get the facts at www.hse.ie

Try a Relaxation or Mindfulness App like "Headspace"

Routines can be mixed with Morning Time, Reading, Maths, Brain Breaks, Creative Time, Walks, Bath time, Music, Relaxation, etc.

Parents and Children can practice breathing exercises to stay calm

Reach out remotely for support - to someone you trust, or a service.

Many Community and Local Services are still available for support by phone and email.
